Thank you. Did you have time to review the suggested agenda I sent to you and Angeles (attached)? I'd like to update the meeting invitation or send an email today.

Asked Dana yesterday if he will attend and he said most likely. Friday is his compressed day. I will confirm with him today and let you know one way or the other.

Finding time on Dana's calendar any week is daunting at times. I hope we can make this Friday work.

Schatzi and/or Laurence,

Would one of you be able to confirm whether Dana is available to participate? He is the only key person who has not responded. Enrique was hoping he would make it. If he can't, we will try to find a time next week.

Thanks,

John
